15 Play the Daily Calm at work to share with your coworkers - maybe it'll become a new office tradition!

16 Mid-month check-in! How are you doing with your intentions? If they are going well, celebrate. If not, meet yourself with compassion and ask yourself what support you might need.

25 When you drink your coffee or tea, put away your phone and drink in silence. Be mindful of the taste, temperature and enjoy your morning.

26 Get creative — color, write, craft, draw or paint.

27 **Get outside.**

28 Notice where you hold tension. Bring your awareness there at breakfast, lunch, and dinner and invite it to soften.

29 Set the Mindfulness bells in 10-minute intervals for an hour. Each time you hear the bell, close your eyes, take a deep breath and grow a little taller.

30 Set a timer for 5 minutes and write as a way of checking in with yourself.

31 You did it! A month of mindfulness! Take a moment to note what lessons you'd like to carry with you.

OCTOBER

04 Take a break and go for a walk today. Even if it’s just around the block. Movement affects the way we think and feel.

09 Reach out and make plans with someone in your life that means a lot to you. Spending time with people who make you feel good about yourself is good for your health.

10 Write down a list of things that support your mental health. Keep it somewhere to remind you of your unique and evergrowing mental health toolkit!

11 Start one of the 7 Days of ... meditation series in the Calm app.

12 **Rather than judging yourself or others, offer compassion.**

13 Make a meal from scratch. The process of cooking is grounding. Choose whole foods over processed foods when possible.

22 Reflect on the ways that you’ve grown through heartache or adversity. Take a moment to congratulate yourself on the personal work that you’ve done.

24 Spend as much of your day as you can in the present moment. Notice when you get pulled into the past, future, or stories about yourself and gently invite yourself back to the NOW!

25 Share your struggles with a trusted friend. Bottling up our emotions can lead to feeling isolated and overwhelmed.

26 Forgive yourself for a mistake you made. Remember mistakes are a natural part of life, it’s what we do next that matters most.

27 Reach out to someone who is having a hard time and offer them some support. Or, ask for help if you need it!

28 Be good to yourself today. Set aside some time to do something nourishing. Self-care looks different for all of us.

29 Let go of the need to be validated by others and instead practice validating and accepting yourself.

30 **Explore where you might need some stronger boundaries in your life. Honor your needs.**

31 “The world changes when we change our perspective.” Try looking at a challenge with a different perspective. Wishing you new possibilities.

“As soon as you trust yourself, you will know how to live.”

- 15 Relate to your hands and feet with gratitude. How do they support you? How do they bring possibility into your life?
- 16 Practice gratitude for the people who have come before you. Think of the people who have helped make this moment possible for you.
- 17 Write a thank you note to yourself for all of the ways that you have loved and taken care of yourself over the years.
- 18 Get crafty & make something to remind you to practice gratitude. Maybe a gratitude jar, a note on your bathroom mirror, or a gratitude chalkboard in the kitchen.
- 19 **Ask 3 different people what they are grateful for and why.**
- 20 Relate to water with gratitude today. Experience the warmth of water while showering or bathing, your ease of access to clean drinking water, or the soothing quality of a pond, lake, river or ocean.
- 21 Thank your body for sleeping last night (even if it wasn't for as long as you wished). In what ways are you grateful for sleep?
- 22 Is there something in your life that you might be taking for granted? Take a moment to reflect on this.
- 23 **Do something you LOVE doing today. Be sure to give yourself time to FEEL the experience.**
- 24 Write a letter to someone who has made a difference in your life. Thank them and tell them why you are grateful.
- 25 Think of a time when you felt seen and heard. Remember what you most appreciated about that moment.
- 26 Listen to the Sleep Story, Gratitude, before bed.
- 27 **Look for the gift in something you find challenging.**
- 28 What color do you love? Keep an eye out for that color in the world today and take a moment to soak it in each time you see it.
- 29 Choose one of your senses (sight, touch, smell, taste or hearing) and move through your day with awareness of and gratitude for that sense.
- 30 Inhale and think of something you're grateful for. Exhale gratitude. Repeat at least 5 times.
